*In 1940, Michael and Malvina Sacco opened the first "Bocce Club" on Hickory and Eagle in Buffalo, making pizzas entirely by hand, as a side order, baked in brick ovens!*

*Their take-out consisted of putting the pizza in paper bags at that time. Everything was done with T.L.C. (Tender Loving Care), as their family is still doing, following tradition. Our Large Pizza is still 18" round.*

*"Bocce's" is Buffalo's most famous Pizzeria and as soon as you taste it, we know you will agree.*

*Thank You and please come back.*
